

Congratulation on completing the National Guard Jason Pridmore STAR Motorcycle School. By successfully completing this training you have done two things.

- **First and foremost, you have increased your motorcycle skills and therefore have become a more proficient and safer rider.**
- **Secondly, you have met a portion of the US Army Motorcycle Safety Training regulatory requirements.**

The National Guard Jason Pridmore STAR School Certificate of Achievement should be copied and provided to your unit Training NCO or state Safety Office. They will add it to your training record.

This training meets AR 385-10, Chap 11 Motorcycle Safety *Advanced* as well as *Sustainment Training* requirements for the next three (3) years.
